Subject: Joint Meeting of the Town and Village Boards

Apparently something changed since last Thursday when Gene Jentink informed me he had confirmed the May 5 meeting date with the Village board members, so that one day later Karen Otte notified Sharon Claerbaut that several members of the Village Board could not attend the planned May 5 joint meeting. Therefore, Karen indicated, the meeting was cancelled. I called Gene Jentink this past weekend to see if he had some alternate dates for our next meeting. He replied that the Village Board was planning on meeting on Monday, May 4, to discuss the fire department agreement; and that if alternate dates could be identified in this meeting, he would let me know.

Ben: Gene did not provide me with a time for the Village Board meeting, but I presume it is posted as required by state statute at least 24 hours prior to the meeting.
